### **Pinewood Employs The Best Care Home Worker In The South West**

It is with great pride that Pinewood can announce that one of our carers, Beverly Nottingham, has been voted the winner of the Care Home Worker Award for the South West in the Great British Care Awards. Please turn over to read the full story.

## Beverly does Pinewood proud at the Care Home Worker Awards

(continued from cover page) The Great British Care Awards are a celebration of excellence across the care sector. The purpose of the awards is to promote best practice within the sector and pay tribute to those individuals who have demonstrated outstanding excellence within their field of work.

On 5 May 2010 Bev is heading to London to be interviewed by a panel of judges for the national award. She then gets to go up to London again on 6 July 2010 for a gala dinner hosted by Fiona Phillips at the Guildhall where the national winner will be announced.

Bev was unaware that she had been nominated until she had a presentation in front of staff, residents and visitors in the day room. At the presentation, those who had nominated Bev for the award read her their statements supporting the nomination.

We are all immensely proud of Bev and are honoured to have such a caring individual working for us.

## Summer Fête

Raffle prizes and any items for the bring and buy will be gratefully received by Ruth at reception.
