- The opposite sides of a dice cube always add up to seven.
- If you toss a penny 10000 times, it will not be heads 5000 times, but more like 4950. The heads picture weighs more, so it ends up on the bottom.

Pinewood's budding gardeners prepare for Spring time

Residents at Pinewood were hard at work towards the end of February putting together some wonderful plants. The gardening club will be getting in full swing with the coming of Spring. We intend to grow tomatoes in the summer house and runner beans against the wall. This we will be doing towards the end of March.

Fly Me To The Moon!

The very smooth sounding Mike Long visited Pinewood towards the end of February and proved himself to be a great success! There was a fabulous audience there to see him sing a vast array of melodic tunes from the 50s, including those previously sung by such greats as Frank Sinatra.

Summer Fête

Following on from the wonderful success of our Spring fête last year, Pinewood shall this year be holding a Summer Fête at **two O'clock on Saturday 5th June**. Along with Hawkrige Birds of Prey, visitors can look forward to a BBQ, cake stall,

raffle and a bring and buy. The date of the event ties in with Budleigh Salterton's Gala Week, during which time a whole series of events are taking place from Saturday 29th May to Sunday 6th June. The purpose of Gala Week is to raise money for the Budleigh Salterton Lions Club through a series of events such as the Pinewood Fête. The charity then distributes the money raised from these events to various worthwhile causes within the local area.

Day Care At Pinewood

Visitors to Pinewood have always included people who stay with us on a "trial basis" whether it be for a day or week. We are now also going to be accepting service users for "day care" who will join us during the day only on a regular basis each week.

The month that's past.....

The residents are continuing to enjoy the Wii station and regularly play bowling in teams. We have more and more residents joining in. Marjorie and Judy were both much better at Skiing down hill than residents visitors who thought that the Wii was a pushover!
