Beverly does Pinewood proud at her interview for the National Care Home Worker Awards

Having undertaken a very encouraging interview by a panel of judges at the Marriott County Park Hotel in London on 5th May, we are all waiting with baited breath to see whether or not Bev receives the award for the nation's best carer a month later. Bev has already succeeded in receiving the award for the

best carer in the South West and, as pictured above, it was while being in London that she was presented with her trophy for achieving this. The national winner will be announced at a gala dinner hosted by Fiona Phillips at the London Guildhall on 5th June.

Residents at Pinewood enjoy a real treat during Easter

The start of last month began fantastically at Pinewood as residents enjoyed the various festivities that took place around the Easter period. In addition to the delicious Easter eggs that everyone received, it was certainly lovely to have Glyn coming in and having us all singing along to a variety of songs. The services that took place were also very much appreciated.

The month that's past.....

14th @ 11 am	Catholic Mass
14th @ 10 am	Hand Massages with Susie
21st @ 11 am	Luc – Harpist
22nd @ 2.30pm	Pauline May Clothing Party
28th @ 10 am	Hand Massages with Susie

In addition to the various Easter celebrations we've already talked about, we've also enjoyed celebrating one or two birthdays since our last newsletter as well. Rosie got to make the most of a delicious cake towards the end of March as can be seen in our picture on the right. More recently, Stella Biddiscombe enjoyed a wonderful party as well.

Activities:

We should all be giving our new activities coordinator, Lizzie Church a warm welcome. Lizzie will be starting with us shortly, and has previous experience in running activities as well as undertaking care work. In the mean time though, our weekly and monthly activities agendas are still there to help keep everyone entertained.

Monday: Tai Chi with Joe

Tuesday: Hairdressing with Jamie
