October 2011 Newsletter

Come to the Pinewood Fireworks Night!
6.30 p.m. Saturday 5th November

For the fourth year running, Pinewood will be lighting up Budleigh Salterton's night sky with a colourful array of fireworks. All proceeds collected will go to the Budleigh Salterton Lions Club who distribute to worthwhile causes in the local area.

A BBQ will provide hot dogs and other delicious warm food/drink to residents and visitors alike (weather permitting).

There will be no parking at the Home on the night between 4 pm to 8 pm. However, a free minibus service will be available at regular intervals from outside the Public Hall.

Pinewood's Care Home And Community Care Services Receive Top Marks From The Inspectors!

Following a two and a half day visit in June of this year, the Care Quality Commission (CQC) has recently released their joint inspection report for Pinewood's Care Home and Community Care Services. We really are proud to say that, on the whole, the findings given in the report are extremely positive.

Pinewood Goes Green

A brand new recycling bin has been added to the Home. This means that recycling is being done for paper, cardboard and tin cans. All our staff will be trained about using the new recycling facilities. We are also considering putting a separate recycling bin in individual rooms and would be grateful for your views.

Pinewood's Residents Go To Public Hall To See Jane Fearnley Wittingstall at Budleigh Salterton's Literary Festival

Residents at Pinewood were given a real treat on Sunday 18 September. The gardener and writer mother of celebrity chef Hugh Fearnley Wittingstall gave a talk at the local Public Hall entitled *In My Grannies Kitchen—Home Cooking from the Forties to the Noughties*. The event took place as part of Budleigh Salterton's Literary Festival .

Well Done Kayleigh!

Congratulations to Pinewood's very own Kayleigh Lake as she succeeded in raising £395 after performing a charity sky dive to raise money for the South West Children's Hospice. Kayleigh wishes to thank to all those people who sponsored her!

A Warm Welcome To Luke Spray & Sarah Clarke

Pinewood are delighted to have the assistance of a volunteer visitor to the Home. Beginning in October, Luke Spray is visiting every Saturday at 2 pm to help with activities. Sarah Clarke, our new nail technician, now makes regular visits to the Home

Donkey Sanctuary Visit

In August, we were delighted to welcome Sidmouth Donkey Sanctuary. Residents got a surprise as a donkey, Joseph, came to visit them in their rooms. Audrey (pictured left) and Queenie were particularly keen to meet and greet their four legged friend.

And Finally

Simon the guitarist (pictured left) delighted us with his live music; Luc has played exquisite songs with his Harp; Residents have enjoyed visits to the beautiful gardens at our sister Home, Elmwood in Colyford; and to Sue & Paul Sollis' house in Exmouth; we have introduced a new four week revolving menu to extend the variety of food available.
